BOLTON CENTER STUDY
ANNOUNCEMENT FOR PUBLIC INFORMATIONAL MEETING

WHAT: BOLTON CENTER STUDY
PUBLIC INFORMATIONAL MEETING

WHEN: April 3, 2013 at 6:30 p.m.

WHERE: Town Hall

Tell us what your vision is for historic Bolton Center, including town-owned Bolton Heritage Farm. We want your input!

Consultants will be presenting background information and initial concepts for creating a unified vision for Bolton Center. The Town is a recipient of a grant from the Connecticut Trust for Historic Preservation from its Vibrant Communities Initiative Program. The purpose of the study is to develop a land-use plan to create a unified vision for Bolton Center focusing on its historic, municipal and recreational assets and linkages among Town assets. This includes plans to integrate underutilized assets such as Heritage Farm as well as to address needs of current Town facilities in the core complex.

Following the presentation, the meeting will be open for community discussion.
