1. CALL TO ORDER

The meeting began at 7:02 P.M.

2. DISCUSSION ON RECREATIONAL AMENITIES AND FIELDS

The group discussed all of the proposed projects at Herrick Park and Bolton High School. The high school projects would not qualify for any new school construction grant funding. The work would only qualify for a possible STEAP grant just as Herrick Park would qualify. The total bond package was discussed which led to discussion of possible modifications to the proposed plans. For the soccer field, artificial versus natural turf was discussed and the \$500,000 capital cost every ten (10) to (12) years. The tennis courts and additional soccer field possible modifications as well as Herrick Park costs were discussed. The group agreed to meet on August 11, 2014 and a list of all the items being reviewed for the bond package will be discussed at that time.

3. ADJOURNMENT

The meeting ended at 8:12 P.M.

Respectfully submitted,

Joyce M. Stille
