Minutes

The Bolton Inland Wetlands Commission held a special meeting on March 11, 2014 at the Bolton Town Hall. Members in attendance were Chairman James Loersch, Ross Lally and Holly McDonald. Also present was Inland Wetlands Agent Barbara Kelly. The meeting was called to order at 7:10 P.M.

1. Approval of Agenda

A motion was made by Ross Lally, seconded by Holly McDonald to accept the agenda. The motion passed.

2. Regulation Review Discussion

Ross changed: page 1 sections 1.2 and 1.3, page 2 section 2.1 under agency, page 9 section 6.1 and page 14 section 8.1. During the meeting the Commission reviewed sections 1, 2,3,4,5 and 15.

Section 1: No changes

Section 2: Definitions: "Clear cut", Barbara suggested it was important to specify and that the definition needed further investigating. Holly will be researching more.

The Commission would like to add the following definitions, "Commission Member", "Agriculture", "Diversion Dam and Drain", "Regulated outside Review Area". "Vernal Pool" will also need to be added, Ross suggested investigating and find a good definition for it.

The Commission also discussed definitions that were in the old regulations that should be adopted into the new regulations. These definitions are "Published" and "Recharge".

Under the definition of "Upland Review Area", the Commission wants a note within the definition that holds the right to review and make sure a low impact to the wetlands is occurring.

Section 3: Inland Wetland Agent Barbara was reviewing this section and stated to the Commission that they would need to adopt a paper map that uses the current soil and outlines the wetland areas. Barbara is going to research more and report back to the Commission at the next meeting.

Barbara changed section 3.1 line 2.

Section 15: Amendments: Barbara suggested waiting until all the Commission members were in attendance to review and go over.

Section 3: Ross worked on this section he removed a word from section 3.2. He also dropped section 3.4.

Section 5: This section was accepted as written.

Section 6: Leave this section as written for now.

Section 4: Section 4.1 add wording from old regulations to this section.
