Re: **Matthew and Katie Hannon**
33 Lakeside Circle, Bolton, CT

Dear Chairman Luntta:

As you are, of course, aware, this office represents the above-referenced property owners, who have an application pending before the Planning and Zoning Commission requesting permission to construct a replacement residence on their property at 33 Lakeside Circle within the 50-foot setback from Bolton Lake required by Section 3A.7 of the Bolton Zoning Regulations. Please be advised that my clients have no objection to the public hearing on their application being continued to a special meeting of the commission on April 24, 2013, or if necessary, to one of the commission's meetings on May 15 or 22, 2013.

Very truly yours,

Stephen T. Penny
