

**BOLTON INLAND WETLANDS COMMISSION
SITE WALK - RECORD
FRIDAY NOVEMBER 15, 2013
AT 8:00 AM**

**APPLICATION #2013-15
21 VERNON ROAD, BOLTON, CT**

A quorum of the Inland Wetlands Commission was not present at the noticed site walk, so a formal site walk was not convened. Official minutes were not taken, but this document provides a record.

Chairman Jim Loersch, Vice Chairman Ross Lally, Ronald Bisson of Ron's Professional Lawn Care LLC, and Barbara Kelly, Wetlands Agent, were present. Beginning at 8:07 AM, the group reviewed the site conditions along the lake's edge. Mr. Bisson explained the proposed wall repair work and the limits of the proposed construction. Recent work rebuilding the dock, including construction of new concrete supports, was noted.

The visit ended at 8:27 AM.

Respectfully Submitted,

Barbara Kelly, Agent
Inland Wetlands Commission
Town of Bolton
