

LAKE COMMISSIONER

Position Definition: The Lake Commissioner shall serve in an advisory capacity to the Administrative Officer and Board of Selectmen on any and all matters related to Lower Bolton Lake.

Supervision Received: Works under the general direction of the Administrative Office; reports to the Board of Selectmen as requested.

Supervision Exercised: Limited (coordinate activities with volunteers and residents).

Examples of Duties:

1. To act as an advisor to the Town on issues related to other governmental agencies, including but not limited to the State of Connecticut Department of Energy and Environmental Protection and Department of Health Services, and the United States Environmental Protection Agency and Army Corps of Engineers, in matters affecting Lower Bolton Lake and acts as an advocate for the Town.
2. To recommend policies and other positions for consideration regarding the use, maintenance and protection of Lower Bolton Lake.
3. To act as liaison between the Town and residents in matters concerning the use, condition or other aspects of Lower Bolton Lake.
4. To promote programs of education regarding lake safety, maintenance, use and control of pollution, and to work with the Health District and other appropriate Town Officials with respect to such programs.
5. To maintain records of Lake drawdowns, tests, etc. and provide copies of same to the Administrative Officer upon receipt.
6. To solely represent the best interests of the Town, its residents and Lower Bolton Lake.

Appointment and Term: Initially, the Board of Selectmen shall appoint a resident elector of the town to the position for a term to expire July 1, 2013. Thereafter the term shall be for two (2) years, appointed on July 1 of the odd numbered years.
